

# Fell 120 R

## Description

**Fell 120 R** is filler containing vegetable protein and carbohydrates in powder form suitable for cheese industry.

## Applications

1. White Cheese.
2. Processed Cheese.

## Direction of Use:

Premix the powder with other dry ingredients.

## Benefits:

1. No off flavor and taste.
2. Improve the texture.
3. Lower the cost.
4. Stable in low pH.
5. Stable during high temperature.
6. Enhance water binding and lowers syneresis.

## Recommended Dosage

2 – 5% according to the final product recipe.

## Ingredients

| Ingredients                     | E number |
|---------------------------------|----------|
| Vegetable Protein               | -        |
| Filling Material (Carbohydrate) | -        |

## Physical and Chemical Specification

| Parameters       | Specification          |
|------------------|------------------------|
| Appearance       | Creamy to white Powder |
| Odor             | Neutral                |
| Moisture Content | Max 6%                 |
| Ash              | 3.7 : 4.5 %            |

## Microbiological Specification

| Parameters                   | Specification  |
|------------------------------|----------------|
| Total Plate Count            | Max.1000 cfu/g |
| Total Yeasts and Molds Count | Max.500 cfu/g  |
| Coliform                     | <10 cfu/g      |
| E. coli                      | Absent         |
