Physical and Chemical Specification

SPECIFICATION	RESULT
Appearance	Creamy to White Powder
Odor and Flavor	Natural
Loss on drying	Max. 18%
pH	6 – 8 (Measured in 1% aqueous solution).

Microbiological Specification

SPECIFICATION	RESULT
Total Plate Count	Max. 30,000 cfu/g
Yeast and Mold	Max. 500 cfu/g
Salmonella	Absent in 25 gm
Coliforms	Absent

Packaging

Heavy duty bags.
25 kg **S. Code:** N/A.

Shelf life

24 month from production date.

Storage Conditions

Should be stored away from aromatic products, under cool and dry conditions.
